Yourself"

2 things should be a lot lot clear till now:

1. I will make you work on your CV/yourself
more

2. Nothing I leave on a loose end.

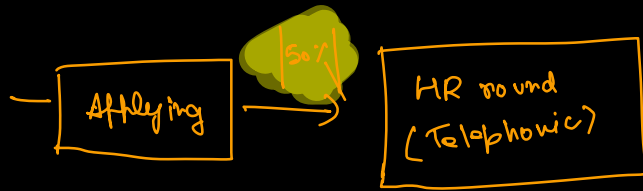

⇒ Introduce Yourself

⇒ Work experience & Education

⇒ Align with current company

⇒ Achievements / anything you want to highlight

1-2 lines

⇒ Strength and weakness

⇒ Make 2 strength & 2 weakness ready

⇒ Please Please Please support it with examples.

⇒ Always show how you are working on weakness.

⇒ why are you leaving your current organization?

⇒ Never ever bash your current organization

⇒ Create proper reasons ⇒ 3 reasons

career personal
[what you expect]

⇒ Always read company's value when you are interviewing it.

⇒ Short term & long term goals

⇒ make sure that you are connecting your long term goal with short term.

⇒ Create your own repository of Questions (I have given 16) & write answers.

⇒ Pick a Question

⇒ Search for its answer & read 5-10 answers

⇒ Write your answer down & also 3 bullet points.

⇒ You have to answer all 16 Questions properly with bullet points

⇒ For "tell me about Yourself", have that in initial doc.
